

DELIVERING TALKS ACROSS THE HUMBER REGION

Benefits of the talks:

- **Enhance Employee Engagement & Productivity** – Create a motivated, high-performing workforce
- **Prioritise Mental Health & Well-Being** – Support staff growth, resilience, and overall wellness
- **Foster Resilience & Adaptability** – Equip your team to navigate challenges with confidence
- **Champion Inclusive Leadership & Culture** – Build a workplace where everyone thrives
- **Deliver Powerful, Interactive Sessions** – Engage your staff with impactful learning experiences

EDUCATE.

MOTIVATE.

INSPIRE.

Some of the departments Paul has worked with include:

- **Criminal Justice/Police**
- **Manufacturing/Construction**
- **Local Authorities**
- **Legal Services**
- **Health and Social Care/Care Providers**

“ FEEDBACK ”

“The talk was perfect. Inspirational for everyone and anyone. I feel inspired to start achieving my potential.” - Staff member from Wilf Ward Family Trust

“It really gives you something to think about and is something that I will pass on to educate others.” - Staff member from Swift Group

“Witnessing such impressive resilience makes you reflect on your own behaviours and contemplate how fortunate you are in life. I don't think anyone who sat through the talk didn't leave the room with a different mindset from what they walked in with.” - Staff member from Tate
